

# Enhanced Benefits with Sage Advocacy

When it comes to **care, coverage, and costs**,  
you don't have to navigate it alone.

## How We Support Badger Members

At Open Enrollment:

Throughout the Year:

Answer questions about plan  
details and benefits

Help find quality care for as little as  
**zero-dollars**

Walk through options to  
decide what plan is best

Make sense of claims and resolve  
medical bills

## Sage Advocacy is here to help navigate:

### **Prescription medication management**

Coverage questions, pharmacy options and savings programs

### **Acute case management**

Coverage and care guidance for a short-term, sudden event  
(Ex: a broken arm after a fall)

### **Chronic Case Management**

Coverage and care guidance for long term, ongoing conditions  
(Ex: diabetes or high blood pressure)

### **Surgical & procedure navigation**

Coverage and care guidance for surgery or procedures  
(Ex: joint replacement or colonoscopy)

### **Financial impact analysis**

Coverage questions and cost details before bills arrive

### **Pregnancy and maternal care coordination**

Coverage and care guidance for expectant parents
